

**EXPRESSION OF INTEREST FOR THE POSITION OF ISOC GHANA CHAPTER**  
**ASSISTANT GENERAL SECRETARY**

With reference to the mail with subject “Call for Expression of Interest for Leadership Positions in ISOC Ghana”, I would like to express my interest in vying for the position of Assistant General Secretary of the Ghana Chapter of Internet Society.

I am Fred Kwadwo Aazore, a member of the Ghana Chapter of Internet Society since 2013. I have once served as the President of the KNUST Caucus of the Ghana chapter and served on the youth session of the 2015 Ghana Internet Governance forum. I also participated in the 2016 Youth@IGF program of ISOC Global, Currently, I am associated with the Youth Coalition on Internet Governance (YCIG), ICANN At-Large Technology Task Force, At-Large Captioning Sub-group and the Internet Society Accessibility Special Interest Group (SIG).

I believe with my experience gained through active participation in the chapter’s activities and service rendered through my leadership role as a former president of the KNUST-Caucus, General and Financial Secretary of the Young At Heart Ghana, and last but not least my excellent secretarial, interpersonal and analytical skills coupled with my proven leadership qualities and strong work ethic would make me a great fit and asset for the Internet Society, Ghana Chapter as an Assistant General Secretary.

I however, will work hand in hand harmoniously with the other officers (EXCOM) in ensuring the success and betterment of ISOC Ghana Chapter after emerging successful, for that is what I believe in most: Innovating and making things better for the Chapter and its members while making positive impacts on ISOC Global in general.

Signed.:

Fred Kwadwo Aazore.
